This car was completed as a school project by students from the Transportation Specialist High Skills Major (SHSM) programs in both the Toronto District School Board (TDSB) and the Simcoe County District School Board (SCDSB).

The restoration involved students from both Emery C.I. and Westview Collegiate S.S. and students from the Secondary School.

Teacher: Peter Baxter and students from TDSB completed all mechanical, electrical, interior and sound system work.

Teacher: Raymond Scriver and students from SCDSB completed all body and paint restoration.
